FEED THE REINDEER

Visit the Sami Siida at the doorstep of Basecamp Snowman in Målselv Fjellandsby, Northern Norway. The reindeerherd lives in the Mauken mountain for real, it is not only for tourists. This is an unique possibility to explore autentic Reindeer herding in Arctic. Enjoy an unforgettable meeting with the Sami people and their culture. Sit by an open fire inside the laavo and listen to the Sami host telling the story of the Sami people. Outside the laavo you can meet close up with the reindeer herd, ready for you to feed them and take photos with them. The Reindeer herd consists of 30 to several hundred animals, depended of time of year. You will never forget it!
