## WILD MOOSE SAFARI

The Snowman area has a big population of wild moose. These magnificent animals live in the deep Arctic forest, close to the houses in the valley and your accommodation. Join our wild Moose Safari and get to know the Norwegian Moose. Your adventure starts at Rundhaug Gjestegård with an introduction to animal and the tour.

After a short info we will take off by car or bus. We are looking for the moose carefully by car, watching them in their naturale inviroment. During the trip we will stop by at a local farm, to meet some of the local people and local culture. During the tour you might see other wild animals such as foxes and owls. Included: Guide, transportation, coffee/tea, cake
